'Til Sold Out Class Action Settlement**

Clerk of the Court  
United States District Court for the District of New Jersey 4th & Cooper Streets  
Camden, NJ 08101

Dear US District Court for the District of New Jersey:

My name is Mari Stull, a wine educator, former wine director for a major metro DC restaurant, and writer with over 15 years of professional wine experience. I am also a frequent and repeat purchaser of Wines 'Til Sold Out wines. I am including a list of some of the over 100 wines I have purchased through Wines 'Til Sold Out. I take this opportunity to make it crystal clear that I have never been compensated, paid, or otherwise financially rewarded in any way by Ashburn Corporation d/b/a Wines 'Til Sold Out.

I am writing to advise the Court that I exclude myself to this frivolous and baseless lawsuit, as well as to strenuously object to it's ridiculous foundations.

One of the columns I feature is on extraordinary wine values. It was during the research of this column that I first became acquainted of Wines 'Til Sold Out. As an wine industry "insider", I'm privy to the retail, wholesale, and distributor pricing of wine. CONSISTENTLY, I have found that Wines "Til Sold Out (WTSO) offers extraordinary values and discounts that I could not source anywhere else. So extraordinary are these values that often they

undercut even direct distributor pricing that I was offered for my restaurant purchasing. So extraordinary are these values that I purchased the entire menu of my wedding's wine through WTSO - even though I could have easily purchased the wines at wholesale pricing. WTSO values and quality are simply THAT OUTSTANDING.

I also want to strenuously object to a frivolous lawsuit that was launched solely to line the pockets and greed of a law firm at the expense of a small business and consumers. This baseless and wasteful lawsuit is not simply a blow to the small business of WTSO - but, to all the small family-owned wineries that WTSO help promote and support. It is extraordinarily costly for a small, family-owned winery to get national recognition and consumption that WTSO offers. I can assure you that many small wine labels were buoyed in business through the services and support of WTSO.

I ask the Court to stand for the rights of consumers and small business and against the greed and avarice of the Class Action Plaintiffs and deny this lawsuit totally. And at very minimum - deny Class counsel's requests for attorneys' fees and expenses.

Hate to point out the obvious, but the engine of America is the small business. Not avarice lawyers and frivolous lawsuits. I beg the Court to exercise common sense and fairness.

Sincerely yours,

  
Mari Stull  
The Vino Vixen

DEAR JUDGE--  
Please restore my faith  
in our judicial system!
